In November last year I expressed an interest in the Canon 2000 copier for our office. You mentioned that a new, improved version would be in shortly and that you would call me to arrange a demonstration.

Although I haven't heard from you, I was wondering if you now have the new Canon 2000 on the floor. If so, I would still be interested in arranging a demonstration.

Please drop me a note or telephone me at xx xx xx xx as soon as you can arrange a private demonstration for me.
